

HDR1 3D

Lighting the way for digital artists, HDR1 3D presents real world insights and emerging trends in digital production from the digital artist's perspective. Concepts and techniques are shared through production case studies and software specific tutorials by professionals in film production, architecture, advertising, medicine, and other fields. Topics will be wide-ranging, covering areas such as Workflow, Visual Effects, Compositing, Lighting, Rendering, Modeling, Scripting, Animation, Character Rigging, Texturing, and more.
